Dessert Bar Details

Our from-scratch baked goods are made to order (*never frozen or made days ahead*). Our moist, buttery, tender desserts are beautifully decorated with edible flowers, 23-karat gold leaf, glitter, gold dusted fresh berries, and tempered chocolate gems.

We use only the superior, fine, high quality couverture chocolates (*not candy melts*), cocoa powders imported from France, Italy, and Venezuela (*not the local grocer's*). These nuances are reflected in our pricing. We use Madagascar bourbon vanilla beans and European style French butter to create our exceptional delectable treats. You'll taste the difference!

*Our products are crafted alongside of allergens to include eggs, milk/dairy, peanuts/tree nuts, and wheat

Dessert Bar Inclusions

Your dessert table display includes a theme coordinating overlay, disposable platters, risers, tongs/scoops, dishes, and trays. Delivery is calculated at checkout. Set up and breakdown is included.

Your dessert table will be set up for a 3-hour "self-service" buffet for your guests. Extended delivery areas (*15+ miles from our kitchen*) and longer buffet hours are available at an additional fee.
